Yours Faithfully,
For Jupiter Wagons Limited

Ritesh Kumar Singh
Company Secretary and Compliance Officer

Jupiter Electric Mobility (JEM) launches its first showroom in Hyderabad

As part of JEM's strategic pan India expansion

JEM Brings Flagship JEM TEZ Electric LCV To Hyderabad's Growing Logistics Landscape

India, 22nd August 2025: Jupiter Electric Mobility Pvt. Ltd. (JEM), the electric commercial vehicle arm of Jupiter Wagons Ltd., has inaugurated its first showroom in New Bowenpally, Secunderabad, Hyderabad, introducing its 1.05 ton 4-wheeler electric light commercial vehicle (eLCV) – JEM TEZ to Telangana's vibrant logistics and intra-city freight market. With this strategic expansion JEM has underscored its commitment to provide purpose built sustainable mobility solutions to accelerate electrification of Indian logistic industry.

The newly inaugurated showroom, situated at Arven Motors Private Limited in New Bowenpally, offers a holistic purchase experience. Customers can explore the features of JEM TEZ firsthand, interact with trained product specialists, and schedule on-site test drives to evaluate vehicle performance in real-world conditions. The showroom offers personalised sales consultation — ensuring a smooth and informed, buying journey. With the launch of Hyderabad showroom, JEM is now closer to its partners and customers in Telangana.

JEM TEZ, the company's flagship electric light commercial vehicle, is purpose-built to address the evolving needs of urban logistics. With a certified range of 300+kms and a True Range of over 190 km, 80kW peak motor power, 23% gradeability, and a payload capacity of 1.05 tons, JEM TEZ is engineered to deliver high performance, low operating costs, and enhanced reliability. The vehicle is perfectly suited for intra-city freight movement, last-mile delivery, and FMCG distribution — sectors where uptime, load efficiency, and emissions reduction are critical business drivers.

The choice of Hyderabad showroom launch reflects JEM's business strategy. Hyderabad's emergence as a strategic logistics hub — supported by its central location, robust warehousing network, thriving e-commerce base, and state-level EV adoption policies — makes it an attractive market for e-LCVs.

The showroom was inaugurated by **Mr. Vivek Lohia, Managing Director, Jupiter Group, Mr. G V Suresh Babu, Founder, Arven Motors Private Limited** with JEM's leadership team in attendance - **Mr. Gaurav Jalota, CEO, JEM and Mr. Kartik Hajela, CEO, JEM - Battery Division.**

Speaking on the launch, **Mr. Vivek Lohia, Managing Director, Jupiter Group**, stated, "The inauguration of our Hyderabad showroom marks a significant milestone in Jupiter Electric Mobility's growth journey. With its strong economy, continued investments in industry and logistics, and supportive state policies for accelerating EV adoption, Hyderabad is an ideal market for the next phase of our expansion. Our flagship vehicle, JEM-TEZ, is purpose-built to meet the needs of both mid- and last-mile delivery. With its robust payload capacity, segment leading range, fast charging, telematics features, and cost efficiency, it offers an attractive business proposition for fleet owners and individual buyers looking for sustainable mobility solutions. We are committed to offering efficient, economical, and purpose-built e-mobility solutions to meet the demands of India's rapidly growing cities".

As part of its long-term strategy, JEM is actively investing in an integrated EV value chain. Through partnerships with Porter, Pulse Energy, Battwheel, Automovill, Tapfin, and others, the company is developing a robust support infrastructure encompassing charging network, financing solutions, and after-sales service frameworks. Drivers and owners of JEM TEZ will also benefit from the JEM Udaan program, which offers assured business assistance.

With this Hyderabad launch, JEM is further consolidating its customer-centric service network and building the foundation for deeper market penetration in Telangana and beyond. The company's ongoing expansion also includes key markets such as Ahmedabad, Chennai, Delhi, Kolkata, Mumbai, Pune and Trivandrum.

Call to Action

Fleet operators, logistics aggregators, institutional buyers, and EV ecosystem partners are invited to explore commercial synergies and experience the JEM TEZ firsthand. To schedule a demo or explore business collaboration, visit our Hyderabad showroom at Arven Motors Private Limited, S.C.B NO.1-R2-009, SY NO 265, Public Sector Colony, New Bowenpally, Secunderabad, Hyderabad, Telangana, 50001 from Monday to Saturday, 10 a.m. to 7 p.m., or contact us at 91 9493822244.
